

## WEST TEXAS SYMPHONY

Founded in 1962 and currently under the direction of Maestro Gary Lewis, the West Texas Symphony includes 70 orchestra musicians, an adult chamber chorale, a large youth choir, and three resident instrumental chamber groups: the Lone Star Brass, the Permian Basin String Quartet, and the West Texas Winds. In our 64th Season, the West Texas Symphony is one of the largest professional arts organizations in West Texas.

### DID YOU KNOW?

The production of a single West Texas Symphony concert may cost as much as \$70,000. Some of our expenses include: music conductor, orchestra personnel, guest artists, music rental & royalties, piano tuning, printed programs, venue rental, production staff, and instrument transport.

If we relied on ticket sales alone to cover concert expenses, the cost of a single ticket for our patrons would prohibit many from enjoying the presentation of live symphonic and choral music in the Permian Basin. Sponsors play a critical role in making each season possible. We invite you to make a bold statement with your sponsorship and play your part in the 64th Season.
